Newsletter – AUGUST 2020

Welcome

Well it has certainly been a topsy turvey year and still we aren't back to a "normal life" but at least we can get out to our baches and enjoy a relaxed atmosphere.

AGM 2020

Just a reminder the **2020 AGM** is being held on **SATURDAY 12th SEPTEMBER 2020 10am** in the Recreation Hall.

An important reminder is that in order to pass any resolutions there must be more than 50% of the Interests (each Site is an Interest) or their proxy present. That means, of the 80 sites, at least 40 must be represented at the meeting either in person or by proxy. If you know you will not be present please send in your proxy form which is attached with this newsletter.

Reminders:

Could site owners where possible have a clean-up around their sites of old wood etc and put on fire pit for it to be burnt

Any building projects, alterations must have plans submitted to the committee for approval before any work is commenced

All sites must be fully insured – please check that your policy is up to date – also please check your **smoke alarms** are operational

Remember to check our closed Facebook page and the website to catch up with happenings around the camp

Site Owners Details:

I believe for some site owners your contact details that I hold are not up to date so I would appreciate if you could **all** send me your current address, contact phone numbers and any change of email details in order that I can update my records. Thank you in advance. Email details to tararua25@xtra.co.nz (Sherryl)
